Thanks for taking time out of your packed schedules to answer my pesky questions. I will do as you suggest.

Is it not possible to attend the meeting as a member of the audience? Or do you think that folks would be looking for me, take a picture, and then make a claim about me being a part of OCSPP?

Cheers!

I think it would be best for Mike not to attend but I defer to Ryan.

Troy,
We are having a big public meeting on Wednesday Dec 6 on our new chemicals program. About 500 people have registered, 150 of those will be in person (the rest via webinar). Full range of stakeholders, including Hill staff who have been invited.
Please advise as to whether or not it is ok for Mike to join us in person.

Thanks,
Nancy
